8,900 SF

COMPLETION DATE

2014

Located in the 525@Vine Building in the heart of the Wake Forest Innovation Quarter, Flywheel is a 24/7 coworking space, where people can come together to work, learn, and share knowledge. It provides the ideal work environment for start-ups, innovators, entrepreneurs, freelance and independent business owners who are in need of space.

Amenities include:

The IQ Court – a quarter-scale basketball court that serves as a multi-purpose space for bouncing things around – ideas, information, and even basketballs.

The Pool Hall and Bar – members can socialize over a game of billiards or darts, with craft beers on tap after 5pm.

The Wind Chime lounge – offers a casual meeting area visually separated from the open desking area by multi-colored acrylic strips surrounding lounge seating.
