LOCATION

Greenville, NC

SERVICES

Interior Design, Architecture
Programming, Master Planning

PROJECT TYPE

Assisted Living

PROJECT SIZE

140,000 SF

COMPLETION DATE

2022

Following a successful programming phase, Workplace A+D assumed the role of architect and primary point of contact, offering comprehensive Design Services from project inception to completion. In this capacity, Workplace A+D efficiently managed the project design team, overseeing the schedule and delivering regular reports to the Core Team. This encompassing approach ensured seamless coordination and communication throughout the project's lifecycle, contributing to its successful realization.
